Registered users of the website can log in to spend their RnB Points in our "Loyalty Rewards" section.

Customers are given 1 RnB Point for every £1 they spend with us, vouchers are issued at the end of the month when the jobs are invoiced.

Postage invoices do not qualify for RnB Points.

The RnB Points system is open only to customers who have placed work with us. Only genuine customers will be granted registered access to the site. All relevant areas of the RnB website are still accessible to non-registered visitors.
