

## Two New Oce CS665 Digital Printers Installed At RnB

Wednesday, 29 April 2009

Last Updated Wednesday, 29 April 2009

We have spent £100,000 installing the most up to date Rips and Presses in order that we can produce quality work with a very quick turnaround for our customers.

The machines use SRA3 sheets up to 350gsm.

We are very impressed with results so far.
